

Boulder garden

Character

To find individual holds and footholds in the natural rock, the bouldering garden is worth a visit. It is located below the Schlossalmblick viewing platform and consists of different sized boulders.

Equipment for via ferratas

The use of the bouldering garden does not require any classic climbing equipment and can be climbed by anyone.

Attention

There is danger to life in via ferratas during thunderstorms! Be aware of rockfall due to antedates!

Mountain rescue emergency call: 140

Red Cross emergency call: 144

Enter at your own risk!
