- chair lift
- Schneisebahn - Zonenbahn
- cable car
- Hochspannungsleitung
- high voltage line

Wichtige Information
Das ist die erste Karte der Malltraier Gletscher. Übernimmt die Malltraier Gletscher für die Kartierung noch kontrolliert durch den Pisten- und Bergwacht. Das Bettstein erfolgt in jedem Fall auf eigene Risiko.

Important Information
As weather and snow conditions in winter can change constantly, the publisher assumes no liability for the accuracy of the winter routes indicated. The routes marked on this map are neither insured nor supervised by the piste authorities or mountain rescue service. The use of the marked routes is at all times at your own risk.
