Tip for today

Suspension Bridge – Stubnerkogel

The 140 meters long suspension bridge on the Stubnerkogel in Bad Gastein is one of the highest located/ longest suspension bridges in Europe, which can be explored all year long. A bit of courage is required to cross the steel structure, which is slightly swinging in the fresh mountain air. At an altitude of 2.300 meters above sea level, you can enjoy a fantastic view of the surrounding mountain scenery.
