

## ▷ SLOPE CLOSURE AFTER CLOSING TIME

Dear Sir or Madam!

- Snow guns including exposed supply lines for electricity and water
- Many more risks

**Regulations of the slope closure for the time between 5 p.m. and 8 a.m. daily were issued in accordance with § 3e of the "Salzburger Landespolizeistrafgesetz" on the prohibition of driving and entering:**

- Municipality Dorfgastein, 18. December 2019
- Market town Bad Hofgastein, 03. February 2014
